This is a story of one man's life that turned into a fight for freedom and dignity. Who Was Geronimo The Apache? Geronimo — whose given name was Goyaałé or Goyathlay, meaning “the one who yawns” — was born in No-Doyohn Canyon in June 1829. The canyon was then part of Mexico but is now near where Arizona and New Mexico meet.

According to the Etymology Dictionary, firearms were often named after animals, and the word musket derived from the French word mousquette, which is a male sparrowhawk. An alternative theory is that derives from the 16th century French mousquet, -ette, from the Italian moschetto, -etta, meaning the bolt of a crossbow. The Italian moschetto is a diminutive of mosca, a fly.

It hasn't been long since the end of the Trump regime. But the Biden administration's latest political gamble is indeed marching in the same direction of the previous administration, at the risk of basic human conscience and justice. Such copycat tricks of the “washing powder” lie will bring nothing but shame and scandals. Global Times
