It began as a thought in someone's mind; every detail of it—the frame, the fabric, the curves, the color—was first a thought. Thoughts become things. This is manifestly untrue. I will never be a quarterback for the National Football League, no matter how earnestly I think about it. I will never be 16 years old again.

Random House. The Cat in the Hat was published in 1957 and used a mere 236 words to tell the quirky feline's fantastical story. However, the book's author, Dr. Seuss, topped that feat with even fewer words when his publisher, Bennett Cerf, bet him that he couldn't write a book using 50 words or less. Green Eggs and Ham hit bookstores three years later and uses exactly 50 words.
