A similar question-answer format exists in the textbook which asks students to identify tasks usually done by only men and only women as well as tasks done by both. The text that precedes the answer table emphasises that both men and women are capable of doing all types of tasks and they should acknowledge each other's contribution in society.

The content of this book is accurate. I like the use of images to support the reading content of the textbook, but I did notice in Chapter 1, section 1.2 Figure 1.19 is mislabeled. The photo says," A man in Malawi carrying firewood for cooking and heating purposes." The photo is titled," Girls Carrying Firewood" by David Stanley.
