Fabry disease results from deficient activity

of the enzyme alpha-galactosidase A (α -Gal A) and progressive lysosomal deposition of globotriaosylceramide (GL-3) in cells throughout the body. The classic form, occurring in males with less than 1% α -Gal A enzyme activity, usually has its onset in childhood or adolescence with periodic crises of severe pain in the extremities (acroparesthesia ...

Looking forward, PJ is an important part of the Hornets young core consisting of him, LaMelo Ball, Miles Bridges, and James Bouknight, the No. 11 selection in this year's draft. He's versatile enough to play effectively as both a stretch four and a small ball five, and that flexibility gives coach James Borrego options.

Mount Storm King is the perfect hike if you are looking for a challenge! This route is technical (but well maintained) and hiking boots are highly recommended. The initial section is relatively flat before leading to a large elevation gain through a series of switchbacks. Following this, there is a rope section that can only be traveled by one person at a time— so expect a wait during the ...
