Conservatism is a political and social philosophy promoting traditional social institutions. The central tenets of conservatism may vary in relation to the traditional values or practices of the culture and civilization in which it appears. In the west, conservatives seek to preserve a range of institutions such as organized religion, parliamentary government, and property rights.

History. Learn more about the subject of history, which is broadly defined as the study of past events. Due to the broad nature of the concept, most historians narrow their scope by focusing on a particular time period, a particular country or region, a particular person, group, or individual person, a particular theme, or any combination of those categories.
